

**THAT
CRAZY
GUY!**

J.T.C.

Two weeks from tonight, I'll pick you up at 7:30. Okay Suzie?

Sure, Craig.

I'll show you how to be a real party animal.

I never dreamed he'd ask me.

I can't believe it!

WOW!
He's so beautiful!

I don't want to mess up *this* date.

I'll see if I can get some tips from Ms. Damien.

I hope she's home.

This is *new* to me, Ms. Damien.

Can you help me?

Listen kid. As long as you practice "safe sex"...

you can get away with **ANYTHING!**

First, you go on the pill. I'll give you some. Your date's in two weeks. That's long enough."

And I'll throw in a few condoms too!

It's so good to have somebody I can trust.

This may sound stupid... but... uh... could V.D. be a problem?

Are you kidding?

V.D. is *nothing* anymore. You get a shot of penicillin and it's gone!

"Careful, Suzi. Ms. Damlen's advice was wrong.

"Venereal disease: The word "venereal" comes from Venus, the love goddess. See **ANGEL OF LIGHT**, Pg. 15, by Chick Publications.

This is the New Age. Science
has **EVERYTHING** under control.

Don't worry,
pussycat...

If it feels good...

do it!

Craig's so cute...
and real crazy!

MMMM... I envy you!

Go for it, kid! What could
possibly go wrong?

Saturday, 2 A.M.

Ain't I the *greatest*, Betty?

My name is Suzie,
you *jerk!!!*

LOVER

DO IT IN THE DIRT!

He was
GROSS!

I **NEVER**
want to see
him again!

Oh man, I wonder
if I'm pregnant.

12 Days Later

I'm not pregnant!

**WOW!
I feel great!**

I'M SAFE!

Not quite, Suzi. Craig gave you two little surprises you didn't count on.

The first one shows up from 2 to 20 days after sexual contact.

Why am I burning down there?

Ohhhh... that looks awful!
What did that creep give me?

A black and white comic panel. On the left, a woman with shoulder-length hair is looking towards a man on the right. The man is seen from the back, wearing a dark jacket. They are outdoors with trees in the background.

Ms. Damien...

I GOTTA talk to you... *please?*

I'm busy, kid!

Well, okay, come on in...
if it won't take *too* long.

A black and white comic panel. On the right, a man with dark hair and a mustache, wearing a dark long-sleeved shirt and pants, stands with his hands on his hips. On the left, a woman is sitting on a bench, looking towards him. There is a small potted plant between them.

I... uh, I think I caught
something from Craig.

What's clap?

Did you pick up a
dose of the clap?

It's Gonorrhea, stupid!
Don't you know *anything?*

Get out! I don't want what you've got!

But what'll I do?

If you're *dumb* enough
to catch it, then it's
YOUR problem!

God knows *I TRIED*
to warn you.

Ugh, I've got to spray that chair you sat on.

Suzie, you look terrible! Got a problem?

I'm scared to death.
My mom and dad
are gonna kill me.

Can you tell me about it?

10 minutes later

Suzie, go see
my grandfather.

He'll do everything he can to help you.

I'll tell him
you're
coming.

Later

Susan I ran the tests and I've got some bad news.

It's gonorrhea, right doctor?

Yes, plus something far worse

Susan, you are HIV positive.

AIDS! IMPOSSIBLE!
Craig wore a condom.

I'm sorry Susan

You're dying and there's no cure.

Susan, there's a *horrible* lie being pushed today. Experts are claiming that you can have "safe sex" if you use a condom.

But the truth is, the AIDS virus is *so* small, it can pass right through a doctor's surgical gloves."

Researchers have found holes in surgical gloves big enough to allow **10** AIDS viruses to pass through them side by side

And most condoms are made of the **same** latex rubber!

At a recent meeting of **800** sexologists, *not a single one* said they would trust a condom.

to protect them if they had sex with a known HIV* infected person.**

What does *that* tell you, Susan?

That's horrible! High schools are passing out condoms like candy

Yes, Susan, and I believe *millions* of young people like you will die because of this!

It's all so unfair!

** Focus On The Family Newsletter, 2/13/92, Pg. 2

Why did God do this to me?

Don't blame God. He tried to stop you from getting these diseases.

What?

God set up strict rules in the Bible. If we had obeyed them, V. D. and AIDS would be no problem today

I've never even *heard*
about these rules.

That's because
most people don't
want to hear what
God says about
sex, Susan.

God said there should be
absolutely **NO** sex outside
of marriage (See Ex. 20:14)

In the Old Testament, God ordered
the death of *anyone* caught in the
act of adultery. This was to protect
their family from venereal disease.

See video *No Second Chance* available from Chick
Publications.

Susan, God created
within your body

an incredible
force that protects
you from disease.

It's called the Immune system.

Whenever deadly germs invade
your body the immune system goes
into action and *kills* the invaders.

WOW! That's heavy!

But now A.I.D.S
has hit our land.

AIDS destroys the immune
system, allowing deadly germs to
spread throughout your body

eventually causing your death.

So now that I've got AIDS

all I've got
to look
forward to
is death.
right?

Wrong, Susan! You'll soon face
something far worse than AIDS!

You will face your greatest test
as you breathe your last breath.

What happens then?

If you
—
true
Christian,
Susan

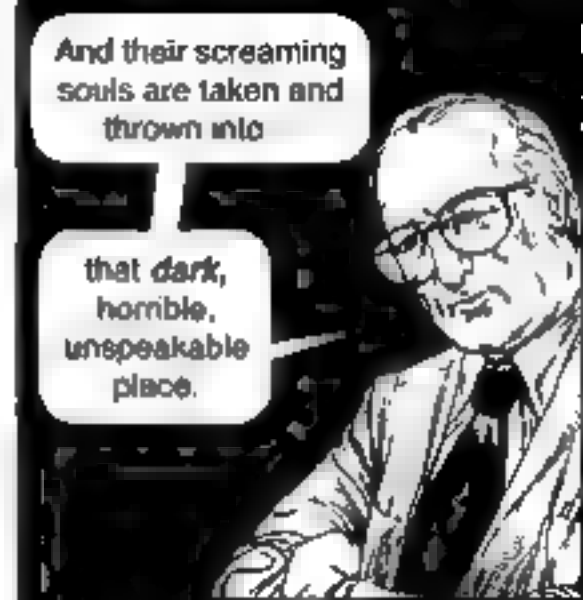

God's
angels
would be
at your
bedside.

to take
you to
heaven

Unfortunately,
most people die
in their sins. .

that dark,
horrible,
unspeakable
place.

The truth
is, Susan,
your school
doesn't
care about
you or
your soul.

Only *one*
person
REALLY
loves you.

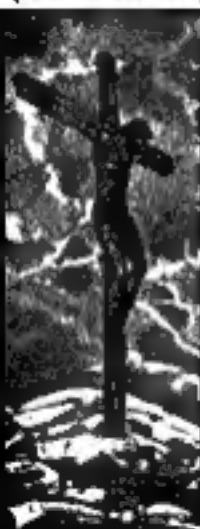

And He *didn't* want you to die
in your sins...

So He died
FOR YOU!

To keep you from
going to hell.

heaven)." John 3:16**

**Three days later, He arose from
the dead.**

**His sacrifice was

**At your death, God's
angels will take you

Susan, the Lord
Jesus wants you
JUST AS YOU ARE.

He loves you and wants to be
your Saviour and best friend. Ask
Him into your heart *right now*.

I will! Please come into
my heart, Lord Jesus.

Thank you for saving me.
I'm looking forward to being
with you in heaven real soon.

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6

NORODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your life to become your personal Saviour. See Rom. 10:13

WHAT TO PRAY

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart and life as my personal Saviour.

If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:

1. Read your Bible (KJV) every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.

Here's help to grow as a new Christian! Read **The Next Step**, available at Christian bookstores or from Chick Publications.
